## CJA-20 Billing Tips

- Record time daily and enter it into eVoucher at least weekly, if not daily.
- Describe services in sufficient detail to allow reviewers to gauge the reasonableness of the time expended without revealing privileged information.
- Do not block bill a group of different tasks in one billing entry. Rather, each task should be billed separately except those that take less than six minutes (e.g., reviewing ECFs), which should be aggregated into one billing entry. This ensures that total time billed in a day does not exceed the actual time expended.
- For similar tasks on the same date, either aggregate into one billing entry or describe the services in a way that shows the entries are distinct (e.g., continued PSR review; follow-up call to client; additional emails to co-counsel).
